

Paul Lohin Schuylkill River Watershed Conservation Award Application

Established 2014

Schuylkill Headwaters Association, Inc. has established this award to honor Paul Lohin, a founding member of the Schuylkill Headwaters Association and deeply committed to improving the water quality in the Schuylkill River Watershed.

Paul has been actively involved in all functions of the organization, holding various offices and supplying hands-on assistance with the implementation of abandoned mine drainage remediation projects. He is a lifelong conservationist and environmentalist with a genuine love of the outdoors.

The applicant must demonstrate a commitment to the community by participating in environmental and conservation projects and/or programs outside the classroom. Some examples of projects include, but are not limited to, stream and trash cleanups, Eagle Scout environmental projects, participation in youth conservation camps, planning and implementation of environmental education trails, etc. The application should include all conservation and/or environmental projects/programs that the applicant has participated in but more consideration will be given to those projects that have a direct impact on the improvement of the Schuylkill River Watershed.

Criteria:

- Graduating high school senior of Minersville Area School District
- Student demonstrates a commitment to the community by participating in environmental and conservation projects or programs outside the classroom
- Student has a G.P.A. of 3.0 or greater during his/her high school career

**All applications must be returned to the address listed below by April 1st.
Please be aware that there cannot be any exceptions to established deadlines.**
