

## **Martha M. Herbert and Michael J. Herbert, M.D. Science and Mathematics Scholarship Application**

Established 2000

Dr. Michael J. Herbert and his sister, Martha M., spent their lives in Minersville, and loved and were loved by the people of their hometown. She had a warm heart and an impeccable sense of style. He was a doctor, the kind “you see in the movies”. To commemorate this, their family, cousins Dr. Thomas H. Malin and Elizabeth Barnes gave back to the community by creating scholarships for students residing within the Minersville Area School District boundaries.

Two \$2,000 scholarships shall be awarded annually to graduates of Minersville Area High School. This scholarship shall be paid in four equal parts; each year one part will be paid directly to the college except that in the first year the payment shall not be made until the student has completed his/her first semester of schooling. Each recipient must complete and return a Student Release Form annually. If the student fails to return the Student Release Form his/her scholarship shall be forfeited.

**Criteria:**

- Graduating high school senior
- Reside within the Minersville Area School District boundaries
- Plans to attend a college or university in the United States
- In the event of multiple eligible graduates, the Grant Committee shall give preference to those graduates who displayed superior academic performance in mathematics and science during their high school years

**All applications must be returned to the High School Office at the address listed below by April 1st.**

**Please be aware that there cannot be any exceptions to established deadlines.**
