

Hunter William Renninger Memorial Scholarship Application

Established 2011

Heath and Heather Renninger established a scholarship fund to celebrate the life of their three year-old son who passed away on January 21, 2011. Hunter had great passion: family, friends, playgrounds, school buses, sports and the outdoors. The scholarship fund will forever keep Hunter's memory alive and pay tribute to the character of so many young boys and girls in our local communities. It comforts the family to know that Hunter's scholarship fund will support our future leaders in both Blue Mountain and Minersville Area school districts for years to come.

The Foundation shall make distributions annually from the Fund to graduating seniors of Minersville Area High School or successor public high school and/or to graduating seniors of Blue Mountain High School, or its successor public high school who throughout their high school careers have demonstrated a profound respect for their school and local communities and fostered the development of similar attributes in others.

Criteria:

- Graduating high school seniors of Minersville Area High School or Blue Mountain High School
- Throughout high school career has demonstrated a profound respect for their school and local communities and fostered the development of similar attributes in others
