### Schuylkill Area Community Foundation Welcomes New Employee

The Schuylkill Area Community Foundation (SACF) is pleased to announce the hiring of Marybeth Matz to the position of Assistant Program Manager. “The need for an additional staff member reflects the remarkable growth within the Foundation,” said SACF Executive Director, Eileen Kuperavage.

With more than 30 years’ experience, Marybeth has an extensive background in office operations, accounts payable, human resources and volunteer services. In her new role, she will support the Executive Director and the Program Manager in ensuring that the goals of the Foundation are accomplished in a professional, efficient and timely manner.

Marybeth’s primary responsibility will be managing the scholarships and administering awards. She will develop relationships with Schuylkill County High School staff to effectively reach students and parents. Marybeth will also promote the available financial resources given by generous donors who established endowment funds. Her additional duties include handling executive, administrative, and marketing support for the Foundation.

She lives in Wayne Township with her husband, John and sons, Kevin and Connor.

#### About the Community Foundation

Serving all of Schuylkill County, Schuylkill Area Community Foundation (SACF) administers charitable endowment funds and manages \$16 million in assets used to provide support to the community through grants and scholarships.

Please contact Eileen Kuperavage at the Community Foundation office at (570) 624-7223 or visit [sacfoundation.com](http://sacfoundation.com) for additional information.
