Celebrating 40 Years of Community Growth through Philanthropy

A MESSAGE FROM THE EXECUTIVE DIRECTOR

As we mark our 40th year of service in Schuylkill County, we are humbled by your generous support and philanthropy as demonstrated by continued growth and achievement of your Community Foundation.

Since 1967, together we have accumulated assets exceeding \$10,800,000 and awarded grants to nonprofit organizations tirelessly working to provide vital services across Schuylkill County. The Community Foundation encourages philanthropy at all levels, provides comprehensive donor services and responds to changing community needs and opportunities in areas such as arts and culture, education, environment, health and human services, youth programs and volunteer programs. Increased community visibility and leadership by our volunteer board of directors has led to steady growth of granting as well as contributions to over 100 established funds.

Working together we are making a difference!

- SACF was incorporated on January 16, 1967 as a 501(c)(3) nonprofit corporation from the Internal Revenue Service, and the following week, Emil Ermert established the Ethel M. Jones Ermert, R.N. Memorial Award in Obstetrics with a contribution of \$1,000.
- SACF invested thousands of donor contributions wisely, from our modest beginnings of \$1,000 to \$10,800,000 as of the year ending December 31, 2006.
- SACF distributed \$1,071,448 in scholarships since 1977 when the first scholarship fund, The Dr. Rudolph A. Constein Fund was created.
- SACF celebrates 40 years of service in 2007 and, with your support, we will continue to serve Schuylkill County for the next 40 years and beyond.

I am pleased to present Schuylkill Area Community Foundation's 2006 Annual Report, which details the Foundation's activities from January 2006 through December 2006. Thank you for believing in the work we do and will continue to do with your support.

Sincerely,

Eileen Kuperavage, Executive Director

THE BEN FRANKLIN FUND

As we celebrate our 40th anniversary, there is no better time to share with you a part of our history and how we received funding from Benjamin Franklin.

When he looked beyond the Pennsylvania Gazette and Poor Richard's Almanac in the mid 1700's, Benjamin Franklin had already invented the Franklin stove, created the first political cartoon and conceived of daylight saving time. He then started concentrating on science and experiments. Well known for his work with electricity, he is also credited with the development of bifocals and swim fins.

In 1789, a year before his death, Benjamin Franklin established the Ben Franklin Trust with a bequest of 1,000 pounds of sterling. He directed Philadelphia bankers to invest his money for 200 years, and then split it between the State of Pennsylvania and the City of Philadelphia. In 1993, the Commonwealth used its portion to establish the Ben Franklin Trust Funds in community foundations across the state.

Over those 200 years, Franklin's original bequest grew to more than \$2 million and on March 10, 1994 the Foundation became part of a statewide distribution of funds established by the Last Will and Testament of Benjamin Franklin. The annual earnings are distributed to public libraries in the counties assigned to Schuylkill Area Community Foundation by the original distribution of funding.

From Poor Richard's Almanac to the World Wide Web

OMNOVA PUTS THE FOUNDATION ONLINE

If Ben Franklin were alive today, he would probably have envisioned the significance of the interconnectivity made possible by the internet. But in his absence, a local manufacturing firm has seen the benefit it would bring to the Foundation. So a sincere thank you is extended to OMNOVA Solutions Foundation and OMNOVA Solutions, Inc. for the \$1,000 grant that supported the development of the Foundation's new website by Next5 Interactive.

Thanks to OMNOVA you can now visit us at www.sacfoundation.com.

OMNOVA Solutions Inc. has a Decorative Products plant located in Auburn, PA and the corporate headquarters is in Fairlawn, OH. Few companies touch as many aspects of everyday living as OMNOVA Solutions. Their stunning and durable commercial wall coverings, upholstery fabrics and laminates provide the finished surfaces for furniture, walls, vehicle seating and a variety of other uses. Their innovative emulsion polymers and specialty chemicals add distinctive performance features to many of today's essential products, such as coated paper, carpeting, disposable and durable non-wovens and textiles.

The OMNOVA Solutions Foundation is an endowed foundation that supports education, health and social services, civic initiatives and the arts, primarily in OMNOVA plant communities. Mr. John F. Reilly, Jr., an employee at OMNOVA Solutions, Inc. located in Auburn and a board member with SACF, was instrumental in supporting the grant application for the development of the website.

Philanthropists

We thank the following individuals and businesses for contributing to the Foundation's work from January 2006 to December 2006, either by establishing new endowments or by contributing to existing funds. We are grateful for their commitment to the community.

The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart.

JOSEPH M. O'NEILL, JR. MEMORIAL FUND

In loving memory of their son, Joseph and Diane O'Neill created the Joseph M. O'Neill, Jr. Memorial Fund. Distributions from this fund will be made annually as an award to a graduating senior whose course of study was Electromechanical/Industrial Automation and Robotics at the Schuylkill Technology Center, North Campus. Selection of the recipient will be made by the instructor at the Schuylkill Technology Center in accordance with the guidelines established by the O'Neill family.

September 13, 1986 our lives changed forever when our son was born. As a little boy he enjoyed being outside, taking hikes, exploring, always asking why and how. He loved his inquisitive nature never changed. He loved taking things apart and seeing how they worked. This year in his course of study in Power Generation major at Schuylkill Tech in Williamsport.

On July 23, 2005 our son Joey was killed in a car accident. How tragic it is to lose someone that has so much to offer, so much more living and loving to do. Through our overwhelming sadness we were able to feel proud of the man our son had become and grateful to God for giving him to us although it was only for 19 1/2 years.

We hope to make an impact in another young persons life through this memorial fund. Thank you for helping us create this loving tribute.

Sincerely,
Joseph and Diane O'Neill

BLAZE BELFIORE MEMORIAL SCHOLARSHIP FUND

Established by Girardville resident, Robert Belfiore, in memory of his son, the Blaze Belfiore Memorial Scholarship Fund will make annual distributions to St. Joseph's Center for Special Learning in Pottsville for the tuition of a student attending the center. A committee will recommend the recipient of the scholarship, with Mr. Belfiore serving as a member of the committee.

Robert Belfiore and Bayada Nurses made donations to create the scholarship. Bayada Nurses were caregivers for Blaze and they graciously donated an additional \$10,000 towards the development of this scholarship. "Bayada Nurses is thrilled our donation will be put to good use, benefiting the students of the St. Joseph Center for Special Learning", said Kathaleen T. Reavy, Division Director.

Blaze was born on January 6, 1998 and passed away on December 17, 2005, at age 7. He attended St. Joseph's Center for Special Learning and enjoyed several trips to Disney World, music by Woody Wolfe, switch toys, lights, T-Ball, walks and he especially loved his dad. He was always smiling and loved giving hugs.

"I wanted to create a scholarship in memory of Blaze for St. Joseph's Center because it is a safe, loving environment, emphasizing individuality and family values", stated Bob Belfiore. "Bayada Nurses is more than heroes on the home front as their slogan states, and they were like family and certainly like mothers to Blaze".
